Enumeration

Collecting data that will accurately describe the public health workforce, allowing for comparisons across jurisdictions by program or type of work.

Tasks	Workgroup Volunteers	Meeting Calendar	Location

Core Competencies

Use the State PH Standards as well as nationally published material including the 10 essential services of public health to select a set of core competencies to use as guidelines for curriculum and job development.

Tasks	Workgroup Volunteers	Meeting Calendar	Location

Incentives

1. Identify incentives for participation in workforce development activities that are linked to the PH standards.
